

NUCOR SOLUTIONS IN STEEL

CONFERENCE 2024

NOVEMBER 21, 2024 | NOON-8PM | THE GRAND AMERICA HOTEL | SALT LAKE CITY, UT

RESERVE YOUR SPOT FOR OUR UPCOMING EDUCATIONAL AND NETWORKING CONFERENCE

This free event will include networking opportunities, trade show, a featured keynote speaker, and learning sessions tailored to architects, contractors, developers, and engineers. Join us to learn about recent advances and modern solutions in steel construction, earn professional development credits, and connect with Nucor teammates throughout multiple product groups. The day will conclude with a cocktail hour and dinner, followed by a keynote speaker from AISC.

PRESENTATION TOPICS

- > Metal Buildings: Applications and Efficiencies
- > Future-Proofed Floors
- > Optimized Roofs and Floors
- > Designing with Insulated Metal Wall Panels
- > Sustainability

We encourage you to join us for this enriching experience.
